‘More than one knife used for bouncer death’

FOUR men accused of murdering a bouncer after they were refused entry to an exclusive New Year party “acted as a group”, a court has heard.

Tudor Simionov, 33, (above) was on duty outside a Mayfair townhouse when fatally stabbed.

Five others were hurt in the “violent confrontation”.

Three men, on trial at the Old Bailey, deny Mr Simionov’s murder. A fourth, Ossama Hamed, 25, thought to have inflicted the fatal wound, is at large.

Prosecutor Philip Evans QC told jurors the defendants were among a group of men refused entry to the event at about 5.30am.

He said more than one knife was used and the defendants “acted as a group”.

They are: Adam Khalil, 20, of Kingsbury, north-west London, Nor Hamada, 23, and Haroon Akram, 26, both of no fixed abode

The trial continues.

Shock as Trump upsets Afghans

THE Afghan government wants “clarification” of U.S. President Donald Trump’s statement that a military option could wipe out Afghanistan in the absence of a peaceful resolution to its 18-year war against the Taliban.

Mr Trump made the remarks on Monday.

He said he could win the Afghan war in just 10 days, but this would also wipe “Afghanistan from the face of the earth”.

President Ashraf Ghani said Afghanistan will never “allow any foreign power to determine its fate”.

BOURNEMOUTH

BOSCOMBE, DORSET

MET men are braced for a week of tumbling records as baking Britain swelters in a heatwave.

It is odds-on that a new record for the hottest day in July is set – and there is even a chance we will see the highest EVER UK temperature.

The current July record, set at Heathrow Airport in 2015, is 36.7C (98.1F), while the UK’s all-time record stands at 38.5C (101.3F), logged in Faversham, Kent, in August 2003.

Drink

The Met Office has issued an amber heat alert for East and South East England, as well as the East Midlands.

Those in affected areas are being urged to stay OUT of the sun, drink plenty of water and check on older people who are living alone.

The TUC urged employers to help workers by allowing flexible working to avoid the rush hour and relaxing dress codes.

Owen Landeg, from Public Health England, said the summer heat brings “real health risks”, while climate change killjoys have suggested heatwaves should be NAMED, like storms, to remind people that heatwaves are hot.

But most people just enjoyed the sunshine, like Kalimba Culverwell from Bournemouth who looked just splashing at Boscombe beach.

JOHNSON’S IN!

Tories’ top shagger takes the reins and promises Brexit

By COLIN HURST
news@sundaysport.co.uk

BONKING Boris Johnson becomes Prime Minister today after securing a landslide victory in the Tory leadership contest.

The new Conservative Party leader – a renowned swordsman – used his victory speech to promise that he would meet the October 31 Brexit deadline with a “new spirit of can-do”, releasing the country’s “guy ropes of self-doubt and negativity”.

Shagger Mr Johnson secured more than two-thirds of the votes in the contest, comfortably defeating Foreign Secretary Jeremy Hunt.

The serial adulterer said it was an “extraordinary honour and privilege” and insisted: “We are going to unite this amazing country and we are going to take it forward.”

At the leadership announcement event in central London, minge-crazed Mr Johnson said: “We are going to get Brexit done on October 31, we are going to take advantage of all the opportunities that it will bring in a new spirit of can-do.

“And we are once again going to believe in ourselves and what we can achieve – like some slumbering giant we are going to rise and ping off the guy ropes of self-doubt and negativity.”

Improved education, infrastructure, more police and full-fibre broadband are among the ways ram-like Mr Johnson said this would be achieved.

Outgoing PM Theresa May congratulated satyr Mr Johnson and pledged “my full support from the back benches”.

But she stressed that her successor should work “to deliver a Brexit that works for the whole UK” – a warning against a no-deal departure.

US President Donald Trump said womaniser Mr Johnson would be a “great” prime minister.

Michel Barnier, the EU’s chief Brexit negotiator, said Brussels looked forward to working with the new Prime Minister on ratifying the Withdrawal Agreement – the deal which seducer Mr Johnson has already declared dead.

...OH, AND WORLD WAR 3 JUST STARTED

CLASH: Russian bomber *(above)* and South korean jets *(right)*

WHOOPEE, we’re all going to die!

South Korea says its jets fired warning shots at a Russian surveillance plane that entered its airspace on Tuesday in what some analysts believe could be the first salvos of the Third World War.

Officials said the plane twice violated the airspace over the disputed Dokdo/Takeshima islands, which are occupied by South Korea but also claimed by Japan.

South Korea’s ministry of defence said it scrambled fighter jets in response and fired 360 machine-gun rounds.

Russia has denied violating the country’s airspace.

Moscow said two of its bombers carried out a planned drill over “neutral waters” and denied any warning shots were fired by South Korean jets.

This is the first incident of its kind between Russia and South Korea.

South Korea’s military said that in total two Russian Tu-95 bombers, one Russian A-50 surveillance plane and two Chinese H-6 bombers entered the Korea Air Defense Identification Zone (KADIZ) on Tuesday.

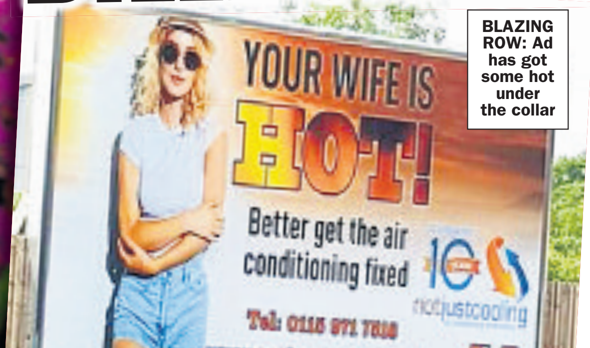
MELTDOWN OVER FIRM'S 'HOT WIFE' BILLBOARD



BLAZING ROW: Ad has got some hot under the collar

Snowflakes brand advert 'plain sexist'

AN advert that was ruled inappropriate and banned from a city's buses has appeared on a billboard.

The air conditioning advert – described by an academic as "plain sexist" – features the line: "Your wife is hot!"

It was meant to appear on buses in Nottingham but Adverta, which places adverts on buses and trams in the city, blocked it and said it could cause offence.

Not Just Cooling boss Lee Davies, who designed the ad, said it was "a little bit of fun".

By COLIN HURST
news@sundaysport.co.uk

Messages

But Professor Carrie Paechter, director of the Nottingham Centre for Children, Young People and Families, said the ad was "like something out of the 1950s" and called for it to be removed.

She said: "If I had young children, I wouldn't want them passing that on the way to school, because of the messages it gives them.

The subliminal message about society is that it's OK to comment on women's bodies, and comment on women's bodies as if they are the possession of someone else – 'your wife'. It also gives the subliminal message that it's the man of the house that's responsible for getting the air conditioning fixed."

A new rule by the Advertising Standards Authority prohibits gender stereotypes in adverts.

But Mr Davies said: "I saw an advert like this in America, I chuckled to myself and thought 'why not?'.

"Air conditioning is a very hard thing to advertise," he claimed, adding that his wife approved of the ad.

MAGICIAN Dynamo says he has finally learned how to cook – at the age of 36.

The illusionist, who has wowed millions with tricks such as levitation and walking on water, has just picked up the new skill after he was given recipe books by his family for Christmas.

He told the Off Menu podcast: "All my family got me cookery books, they even got me *Cooking Basics For Dummies.*

"It was like an intervention. So I started to learn how to cook."

Clubber's shame at w**king at woman

A CLUBBER told late night revellers "I'm masturbating!" when challenged as his played with himself after a night of heavy drinking.

Stephen Fernandes was on his way home when he was said to have stared into a woman's car window while performing a lewd act.

But despite telling the woman's irate boyfriend that he had been masturbating, Fernandes, 31, told JPs he had pulled down his trousers after getting caught short on the way home.

The prosecution said the woman and her friends were in a car park in Swindon town centre at around 1am on February 17 when she became aware of a man in the corner of the multi-storey.

Initially, she thought he was urinating, but when he walked over to them she realised he was pleasuring himself.

Her boyfriend, sat in the other car, asked the man what he was doing.

"I'm masturbating," he said. "Have you got a problem with it?"

Fernandes pleaded guilty to outraging public decency and was handed an 18-month community order, fined £88 and ordered to do 20 rehabilitation days.

Morris dancers go to war over VE Day clash

FURIOUS Morris dancers gathered in Westminster yesterday to protest against the early May bank holiday being moved back four days next year to coincide with the 75th anniversary of VE Day.

May Day is traditionally held on a Monday but will be put back to Friday and form part of a three-day weekend of commemorative events.

A group of Morris dancers are calling for the change to be reversed.

Liz Whatling, of the Westrefelda Morris in Suffolk, said: "Our traditions do matter, they do count and they do make us what we are.

"And I just think to move it, to something like VE Day, takes the shine off VE Day, so why can't we have both?

"Why can't we just have both and make everyone happy?"

BELLA: I'M PANSEXUAL

BELL OF A WOMAN: Bella in the buff

STUNNING actress Bella Thorne has declared herself pansexual.

But that doesn't mean she likes romping with kitchen utensils!

The star, who previously considered herself to be bisexual, came out in an interview with *Good Morning America* saying "you like what you like".

Bella, 21, revealed: "I'm actually pansexual and I didn't know that.

"Somebody explained to me really thoroughly what that is.

"You like beings."

Bella was talking on the morning program while also promoting her new book *Life of a Wannabe Mogul*.

She added: "You like what you like. Doesn't have to be a girl or a guy or a he or she or they or this or that.

"It's literally you like personality. You just like a being."

Bella is currently in a long-distance relationship with Italian singer Benjamin Mascolo.

Late last month she showed off their love when she shared photos from their romantic trip to Sicily, Italy.

American Bella was first spotted alongside Mascolo in April — just days after she announced her split from boyfriend Mod Sun.

Nicole's rap for DJ after sex life quiz

NICOLE Kidman was forced to tell off a radio DJ when he quizzed her on her sex life.

The actress (*above*), 52, was on Australia's *The Kyle & Jackie O Show* to discuss the finale for *Big Little Lies Season 2* when she was asked about her personal life with husband, Keith Urban.

DJ Kyle Sandilands said: "Keith was asked about that song called *Gemini* and he said that's about you in the bedroom and that you're a maniac.

"Did you say to him, 'Watch what you say to me darling'?"

Nicole fired back: "You're so bad!", before adding, "I don't censor his art if I can be a muse for it."

She shied away from the idea that her love life was being written into a song but acknowledged it could be much worse.

She joked: "It is embarrassing but at the same time it's better than saying, 'God I'm so bored. Make an effort Nicole'."

Sandilands then pushed the envelope by referencing some racy lyrics from the song.

MEGAN BLASTS DILDO NO-GO 'VANILLA' WES

BED OF WAILS: Megan says Wes has 'got a lot to learn'

By JAYNE FERGUSON

LOVE Island **stunna Megan Barton-Hanson has slammed her ex-boyfriend Wes Nelson, branding him "vanilla" in the bedroom.**

The stunning blonde, who at 25 is four years his senior, said: "I don't remember Wes really liking sex toys.

"He was pretty vanilla in the bedroom. He was only young though, bless him – he's got a lot to learn whereas I love playing with sex toys, especially the rabbits.

Taboo

"Women masturbating is nothing to be ashamed of, I feel like it's such a taboo."

The couple dated for six months after finding love on the ITV2 show last summer before splitting in January amid rumours Wes was growing close to his *Dancing On Ice* co-star Vanessa Bauer.

Megan said: "I'm leaving him in the past. We're not in touch.

"But I still speak to the boys a lot – Sam Bird, Charlie Brake and Charlie Frederick."

Megan, who is leading Ann Summers's Pleasure Positivity Project, wishes she was in this series of *Love Island* because she fancies basketball player Ovie Soko, 28, more than her batch of men.

She said: "I love Ovie. I was in the wrong year, I would have passed out if he'd done the stripper challenge in front of me – his body is unreal."

But we know you LOVE your sex toys, Meg...

...and Laura's still so scorching!

LOVE Island **2018 star Laura Anderson continued her current stay in Dubai as she enjoyed a dip in the shady swimming pool at her lavish hotel.**

The reality star, 30, teased her ample cleavage into a plunging cream bikini, showing off her vast collection of tattoos.

Braving the scorching heat, she enjoyed fancypants champagne and topped up her tan.

The Scottish vixen was seen happily taking a call on the phone.

This comes after she lashed out at a TROLL who branded her recent bikini snap 'frighteningly skinny' on Instagram.

Earlier this month, Laura confirmed her romance with Max Morley was back on as she shared a loved-up selfie of the pair.

They went their separate ways in December 2018 amid claims she feared he was unfaithful to her.

WERE MOANING PAIR HAVING SEX IN BED?

LOUD NOISES: Amber and Greg

LOVE Island bosses have denied Amber and Greg had sex after fellow contestants heard them moaning in bed.

The pair got intimate during Tuesday's instalment of the hit ITV2 show, and they recently shared their first kiss under the covers as the lights went out.

An insider claimed the pair were heard groaning in bed, causing their fellow Islanders to speculate what went down.

A show source said: "They were both moaning lots, especially Amber.

"The villa was super happy she may have got her happy ending, but no one knows what went on.

"Amber deserves a bit of happiness – but maybe it shouldn't have been so loud!"

But a spokesman for the show denied the pair had sex.

It came after *Love Island* fans celebrated as Michael Griffiths watched on as Amber kissed Greg during Sunday's episode.

Trump's pitch for Apprentice: Blacks v Whites

DONALD Trump once suggested a black versus white team contest for his US TV show *The Apprentice*.

He suggested pitching an all-white team up against an all-black team in the belief it would become the highest-rated show on television.

He floated the idea on shock jock Howard Stern's New York radio show in April 2005.

"Do you like it?" Trump asked Stern. The DJ replied: "Yes."

Trump then asked Stern's African-American co-host, Robin Quivers, the same question.

"Well," she said, "I think you're going to have a riot."

But Trump wasn't too concerned about the potential concerns about the show.

He said: "I think that it would be handled very beautifully by me. Because, as you know, I'm very diplomatic."

NBC flatly rejected his proposal.

AS STUDY FINDS GIRLS LOVE XXX-RATED SEX

Why we're bonkers for porn!

By JAYNE FERGUSON news@sundaysport.co.uk

WE just KNEW they are as filthy as any man.

Last week, *Midweek Sport* reported that a new scientific study has discovered that ladies love PORN as much as men.

The idea that men are more "visual creatures" than women is often used to explain why men appear to be so much keener on pornography.

But the new study shows that's BOLLOCKS!

"We are challenging that idea with this paper," said Hamid Noori, co-author of the research from the Max Planck Institute for Biological Cybernetics in Germany.

"At least at the level of neural activity, the brains of men and women respond the same way to porn."

Writing in the *Proceedings of the National Academy of Sciences*, Noori and his colleagues report how they came to their conclusions by analysing the results of 61 published studies involving adults of different biological sex and sexual orientation.

The subjects were shown everyday images of people as well as erotic images while they lay inside a brain-scanning machine.

Noori said all participants rated the sexual images as arousing before being scanned.

The team also analysed more than 30 published studies and the vast majority did not find any difference in the volume of sexually-charged grey matter between the sexes.

We spoke to three *Sport* babes who told us why they love their grumble...

VIDS...

THE best thing about porn is that it's total escapist fantasy.

You could have had a really hard day where nothing's gone right but you can get home, pour yourself a glass of wine and then put a porno on.

"Before you know it, you're all relaxed and you start fingering yourself.

Although I only made girl-girl hardcore, I love watching boy-girl stuff – especially two blokes on one women.

I'm always amazed by how lithe people are when they're doing a double-penetration scene – one in the ass and one in the pussy.

They must have really strong legs!

And I love to see a really good cum shot – ideally, a load of cum shots, bukkake-style.

The sight of a pretty girl all covered in cum is such a turn on.

Krystal Webb, 30, 30G-24-32 from Birmingham

I ALWAYS told my boyfriend that I didn't want to watch hardcore porn – but to be honest, I was telling fibs!

I knew he had a stash of hardcore DVDs – we've still got a DVD player on the small set in the bedroom – and I like to get them out and watch them sometimes.

One day I was watching this movie called *Arsehole Party* or something. It was really cheesy and Eighties and it was all anal.

I'd never done anal at the time so I was fascinated and started playing with my little bumhole as I watched.

Then I put my little dildo up and I got really turned on with my taboo play. Obviously, I must have got really turned on, because I never heard my boyfriend come in.

He came into the bedroom and there was me with my arse in the air, a dildo in my backside and hardcore anal porn on the TV.

He must have thought all his birthdays had come at once!

Needless to say, I'm not an anal virgin any more – and all because of porn!

MEN ATE RAW SQUIRREL TO TEASE VEGANS

MEAT STUNT: Lagzdins 'upset' children

VEGANISM
=
MALNUTRITION

He's not having my nuts!

TWO men ate raw squirrels in front of a VEGAN food stall to raise public awareness about the 'dangers' of not eating meat.

Deonisy Khlebnikov, 22, and Gatis Lagzdins, 29, munched on the rodents at the Soho Vegan Food Market in London on March 30 this year.

One of the men was wearing a black t-shirt with the slogan 'veganism = malnutrition'.

Disgusting

The pair denied using disorderly behaviour likely to cause harassment, alarm or distress.

But they were convicted after a trial at City of London Magistrates' Court.

By GRACE HOOPER
news@sundaysport.co.uk

Natalie Clines, from the CPS, said: "Deonisy Khlebnikov and Gatis Lagzdins claimed they were against veganism and were raising awareness about the dangers of not eating meat when they publicly consumed raw squirrels.

"But by choosing to do this outside a vegan food stall and continuing with their disgusting and unnecessary behaviour despite requests to stop, including from a parent whose child was upset by their actions, the prosecution was able to demonstrate that they had planned and intended to cause distress to the public.

"Their premeditated actions caused significant distress to members of the public, including young children."

Khlebnikov was fined £200 plus costs and a surcharge. Lagzdins, who did not show up at court, was fined £400 plus costs and a surcharge.

Anti-gay TV show given the bum's rush

AN evangelical Islamic television channel which broadcast a programme calling gay people "worse than animals" has been slammed by regulators.

Peace TV, based in Dubai, was found to have shown four programmes which breached Ofcom rules on inciting crime, hate speech and abuse.

The regulator said one show – called *Strengthening Your Family: The Valley of the Homosexuals* – said homosexuality was "a very unnatural type of love that is energised by the influence of Satan".

According to the Ofcom report, presenter Imam Qasim Khan said: "Then they make laws now, laws that protect homosexuals and even make it legal for them to marry each other.

"Men marrying men. Being on television in front of our children, kissing each other on the mouth, hugging...

"Even the pig – as nasty and corrupted as a pig is – you never see two male pigs trying to have sex together."

Lord Production, which holds the licence for Peace TV, said the March 2018 show was "an expression of Imam Qasim Khan's views, reflecting the teachings of Islam".

Religions nut cuts penis off Maori carving

A MAN who took a chainsaw to the penis of a Maori carving in the name of decency says he meant no disrespect.

Milton Wainwright, 78, was found guilty of intentionally damaging a wooden carving at the Manawatu Gorge in New Zealand.

Wainwright, a devout Christian, claimed it was because the statue was indecent.

He had tried to cut the four-inch penis off with a handsaw, but it was too difficult, so he returned the next morning with a chainsaw and reduced the penis to sawdust, before wiping the carving clean of any grease with a rag.

In court the judge bailed Wainwright to appear next month for sentencing.

Meanwhile, he will have to do community service among the Maoris.

PERV SHOWED HIS SALAMI AT PAPA JOHN'S PIZZA JOINT

By JAYNE FERGUSON news@sundaysport.co.uk

A CUSTOMER rubbed his crotch and exposed himself after a drunken X-rated rant at takeaway staff.

John Morgan made a series of sordid slurs during a visit to Papa John's in Newcastle on June 15 this year.

North Tyneside Magistrates' Court heard how Morgan, 54, entered the store and sat slumped without making an order before he was challenged by staff.

Lee Poppett, prosecuting, said: "After about five minutes, one of the staff members asked him to either order food or leave."

After he was challenged, he asked one of the women working at the store "Do you want to see me later?"

In a victim impact statement, she said: "He said that in a creepy way.

"I told him no."

After he was rebuffed, Morgan began to make a series of lewd remarks before rubbing his crotch and exposing his genitals.

Indecent

He then branded the manager an "a***hole" as they tried bundling him out of the store.

Police were called and Morgan was arrested.

Morgan admitted he "couldn't remember anything" about the incident.

He pleaded guilty to indecent exposure.

Mitigating, Janice Hall said: "He's very much embarrassed.

"He was heavily under the influence of alcohol."

She claimed the offence was "out of character" for Morgan, who has 11 previous convictions, including an offence which was religiously or racially aggravated.

Morgan didn't blame the booze but his mental health for his repeated offending.

And Ms Hall told the court he has a number of undiagnosed issues which may have contributed to the case.

Morgan, of Bishop Auckland, was told he could face a high level community order when he is sentenced on July 30.

He will also have to sign the sex offenders' register.

DRUNKEN RANT: Morgan made lewd remarks

It's too hot for crime, say cops

POLICE are imploring would-be criminals to hold off on illegal activity until next week – because of the heatwave!

In a post on Facebook which has been shared more than 100,000 times they wrote: "It is straight up hot as soccer balls out there."

Committing a crime in this sort of weather is "next level henchmen status", the Police Department in Braintree, Massachusetts, said – not to mention dangerous to the offender's health.

In the post, they suggested everyone wait out the heatwave indoors and suspend crime until things cool down.

"Stay home, blast the AC, binge *Stranger Things Season 3*, play with the face app, practise karate in your basement. We will all meet again on Monday when it's cooler."

#HOT'N'HORNY

GORGEOUS glamour babe Emily SHAW loves this heatwave – because her favourite hobby is BONKING OUTDOORS!

The top-heavy stunna, who boasts a palm-stretching pair of 30FFs, told us the best shag she's ever had was when she did the dirty deed with her fella on a family camping weekend.

Emily, 24, from Ascot, Berks, had to keep her moans to a minimum so they wouldn't be rumbled as she and her man knocked boots in the open air.

She revealed: "One sex session that really sticks in my mind was during a camping trip in a field.

"It just felt so primitive!

"I was on a camping weekend with my fella's family, so we had to keep really quiet, which was incredibly difficult.

"But it was the most fun sex ever!"

By GRACE HOOPER news@sundaysport.co.uk

RED-FACED Alec Baldwin has sent a message to his sexy daughter Ireland – PLEASE stop sharing your arse on Instagram!

Ireland, 23, had seemingly no shame when posting this cheeky photo of herself last week.

The model took to Instagram with a nearly-nude photo of herself standing on a balcony.

"Thank you @sixtyhotels for the beautiful stay. I may never be allowed back but it's chill," she captioned the racy photo.

Straddling

"Also my butt isn't that white. It's the sun. No it's also that white."

The pic – which had tens of thousands of likes in a few hours – was quick to garner comments.

One was penned by her father and another by her uncle.

"I'm sorry. What?" bemused dad Alec Baldwin wrote. "Tough one for Uncle Billy to 'like.' #awkward," Billy Baldwin wrote.

This isn't the first time Ireland – Alec's daughter with his ex-wife Kim Basinger – has taken to Instagram with an immodest shot of herself, sparking a reaction from her dad.

In August 2018, Ireland posted a raunchy photo of herself straddling a motorcycle.

"No. Just...no," Alec Baldwin wrote in response at the time.

One Hollywood insider leered: "I'll tell you what, if she were my daughter, I'd still be bathing her!"

Brummies top of love cheat table

BRUMMIES are the biggest love cheats in Britain – with one-in-three confessing to romping with someone else behind their partner's back.

Dating site Match polled 2,000 Brits currently in relationships and 34 per cent of folk from Birmingham admitted to having an affair – a figure matched only by Londoners.

Those from Norwich were the most faithful, with just 19% admitting they had cheated on their partner.

RENOWNED RABBI'S BOOK FOR SALE IN SEX TOY SHOP

THE daughter of a world-renowned rabbi has opened a SEX TOY shop in Jerusalem.

Kosher Sex flogs dildos, vibrators, lubes and sex "accessories" while also offering yoga classes.

Owner Chana Boteach said: "The typical sex shops have a red-light feel, but I wanted to open a store that is more of a boutique.

"It promotes sensuality and intimacy between couples in a framework of Jewish values."

The shop's philosophy is based on the teachings of Chana's father, world-famous Rabbi Shmuley Boteach, who published the international best-selling book *Kosher Sex* 20 years ago.

Not only did the rabbi give Chana's store his blessing – his book is on sale there.

4 PAGE SPECIAL

By GRACE HOOPER news@sundaysport.co.uk

JENNIFER Lopez has gone full ‘Jenny from the Block’ on us in the official trailer for her new movie *Hustlers*.

The *Love Don’t Cost A Thing* hitmaker lives up to the hype in a teaser for the stripper movie, which boasts a star-studded cast including Cardi B and Constance Wu.

Things kick off with J-Lo, clad in shorts and a crop top, teaching her pal how to pole dance.

It then cuts to Jenny on the pole again, this time swinging sexily round and rocking a glittering and seriously plunging catsuit.

The *I’m Real* singer plays Ramona in *Hustlers*, which is loosely based on a true story.

Ramona becomes the ringleader of an ambitious group of women who use their wits acquired from pole dancing in nightclubs to outsmart their Wall Street clients.

Jennifer has confessed that she’s never played a role like Ramona before and admitted it was a ‘scary’ experience.

But plenty of babes have picked up the pole dancing vibe – as this four-page special shows...

Drunk racist groped bum on river boat

A WOMAN on a river cruise groped another woman's buttocks and then told her victim's husband to "go back to the country you came from".

Lisa Anne Matteson (*above*), 58, was drunk when she twice grabbed a woman's arse and made lewd comments.

When the husband of the female passenger confronted Matteson about her actions, she allegedly replied: "You should go back to the country you came from."

Police in Port Richey, Florida, wrote that Matteson grabbed the woman's rear at least twice and said: "Oh, it's curved and nice. I would do you."

She allegedly did it in front of the woman's six-year-old child, who was also on the cruise.

Cops nicked Matteson after the boat docked.

She was charged with assault but denies any wrongdoing and was bailed pending a trial.

Pervert thrashed for shagging cow

A MOB beat a pervert half to death when they caught him having sex with a cow.

Dirty Mohammad Ansari had tied the limbs of the animal with a rope then raped it using cooking oil as lubricant in Kunjathbail, near Manguluru, India.

Ansari was set upon by furious villagers and only escaped with his life when he was arrested for bestiality.

Cows are sacred in India, so shagging them is a major no-no.

HE WAS THE DRUMMER IN WORLD'S TOP BAND AND HE INVENTED THE CRAZY ROCK'N ROLL LIFESTYLE OF EXCESS...

'He loved blowing up toilets with explosives...'

POPPED THEIR CLOGS!

MUSIC'S MOST SHOCKING DEATHS

LIVE fast, die young... that's the ethos of rock and roll right from the early days – and many of music's most famous stars have taken it on board.

The rock and roll graveyard is absolutely chock-a-block with those who have toppled off this mortal coil far too soon.

Drink, drugs, drink and drugs, suicide, car wrecks, plane crashes, murder...

For many pop stars, the end is not without drama.

Today we look at the most famous wildman of rock.

OVER FOR MOON: The Who members at his funeral

By JUSTIN DUNN

news@sundaysport.co.uk

BAD boys in the music industry are nothing new, but some definitely raise a lot more hell than others.

The likes of Liam Gallagher may think they actually invented outrageous rock mania, but one man was 30 years ahead of them.

Keith Moon was only 17 years old when he first got on stage with The Who.

He would go on to epitomise the stereotype lifestyle of sex, drugs and rock 'n' roll.

Being on the road became an obsession for him and led to childish behaviour which earned him the nickname "Moon the Loon".

Following guitarist Pete Townshend's lead, Moon would happily partake in the art of smashing his drum kit on stage at the end of a show, destroying hundreds of pounds' worth of equipment.

The Who played five shows per DAY in March and April 1967 – and Moon wrecked his kit in all of them.

But destruction wasn't purely limited to his own equipment.

Whether on tour in hotels or visiting a friend's home, Moon was known to sabotage houses.

Smashing toilets, lighting fires and throwing furniture out of windows were some of his usual moves.

Dynamite

He was particularly interested in the destruction of toilets, primarily by way of explosives.

Starting with cherry bombs, Moon upgraded to fireworks and eventually dynamite – which he would flush down hotel loos.

According to his biographer, Tony Fletcher, in *Dear Boy: The Life of Keith Moon*, "no toilet in a hotel or changing room was safe".

It's understandable why the band was kicked out of many hotels.

Such destructive behaviour stemmed from Moon's early and eager use of amphetamines.

In an interview with *New Musical Express*, Moon told the magazine that "French Blues" – an anti-depressant in the amphetamine family – were his favourite food.

These were regularly paired with excessive amounts of booze.

Strangely though, his consumption of drugs and alcohol seemed to be better controlled on the road – but he was by no means flawless.

Moon began to regularly pass out on stage during gigs.

It first happened in 1973, when some groupies had to carry him off stage.

In 1976, he did it again at the Boston Garden.

The following night he destroyed his hotel room and passed out, bleeding from a cut.

The Who's manager took him to hospital – where, according to Fletcher, doctors said Moon would have bled to death if not for the manager's intervention.

At that point, there was talk of firing Moon.

But his band members feared that by doing so, it would just hurl the drummer into a downward spiral.

Cocaine

By August 1978, The Who released *Who Are You* and there was hope that his behaviour would begin to calm down due to Moon's recent use of Heminevrin – a powerful sedative that helped to curb alcohol cravings.

On September 6, Moon attended a party and film premier in honour of Buddy Holly's 42nd birthday with his girlfriend, Annette Walter-Lax.

He didn't drink – but he did contact his

IN FRIDAY'S WEEKEND Sport AUSSIE SEX MACHINE

SMASHING BAND: Moon with *(from left)* John Entwistle, Pete Townshend and Roger Daltrey

cocaine dealer. Guests at the party "all remember Keith being in good spirits and surprisingly sober", according to a Louder Sound's "Classic Rock" feature.

The couple left the theatre early and returned home, falling asleep watching a movie.

Fletcher was told by Walter-Lax that she remembers Moon "taking his usual glass of water and bucket of pills" – he was known to abuse his prescription.

The couple woke up early in the morning and argued a bit before Moon took more pills and went back to sleep.

Walter-Lax fell asleep on the couch.

When she awoke in the late afternoon, she went to check on him. He wasn't breathing and she panicked, ringing a doctor.

Overdose

But it was too late. He had already been dead for hours.

The body was taken to Middlesex Hospital and legendary drummer Keith Moon was pronounced officially dead at 5.50pm on September 7, 1978.

The official cause of death was listed as a Heminevrin overdose, without suicidal intention.

During the autopsy, a total of 26 undissolved pills were found inside his stomach.

Despite his abuse of the prescription drug, it had been taken with good intention.

His death came as a shock, as it was clear he had been working on getting better.

Keith Moon was only 32 years old.

MICHAEL HUTCHENCE

The Top 10 Keith Moon moments

EXPLODING DRUMMER

WHEN the band made its American TV debut on the September 17, 1967, episode of *The Smothers Brothers Comedy Hour*, the smash-up finale to their performance of *My Generation* was unforgettable, thanks to Moon loading his drums with considerably more flash powder than he'd ever used before.

The resulting explosion nearly blew The Who off the stage, briefly blinded the TV cameras and caused guest actress Bette Davis to faint.

THE GONG SHOW

DURING The Who's UK tour in late 1967, Moon relished tormenting The Herd, their opening band.

Keyboardist Andy Bown once found his instrument wired with firecrackers, which Moon detonated electronically from backstage during the band's set.

PUBLIC SERVICE ANNOUNCEMENT

ONE of Moon's favourite pranks was to disrupt small British villages by blaring bogus public service announcements from a rigged-up passing car, scaring the locals with bulletins about impending tidal waves or advancing poisonous snakes.

TROUSER TEST

"LEGS" Larry Smith, of the Bonzo Dog Doo Dah Band, would ask to be shown a Marks and Spencer store's most durable work trousers, then express concern that they might not be strong enough – whereupon Moon would offer to help test them.

Each taking a leg, the two men would completely tear the trousers in half.

KIDNAPPED VICAR

MOON loved dressing up as a bald vicar, who would frighten old ladies by suddenly screaming torrents of obscenities at them.

Once, he even staged the "vicar" being kidnapped and bundled into a car – leading to a police chase.

DARK SIDE OF THE MOON

IN 1970, Moon and former Bonzos frontman Viv Stanshall dressed up as Nazi officers for a record company photo shoot – and then went out drinking while still wearing the uniforms.

WATERBED WRECKER

ON August 25, 1972, at a luxury hotel in Copenhagen, Denmark, Moon wanted to lug the waterbed's water-filled mattress into the elevator, to send it down to the lobby. It burst, unleashing foot-high waves out into the hallway.

PISSING OFF AND PISSING ON

AT the plush George V hotel in Paris in 1972, the drummer drunkenly invaded John Entwistle's room as the bassist was sitting down with his wife to eat.

Moon ate some of Entwistle's steak, poured a bottle of vintage Bordeaux out onto the carpet and pissed against the wall before finally passing out.

WELCOME TO THE CLUB

MOON and Oliver Reed became fast friends during the filming of *Tommy*. In 1975, Reed was walking the red carpet at a Hollywood film premiere when he was suddenly hit in the face by a lemon curd pie.

He later received a card from Moon welcoming him to the "lemon curd pie club".

DINE AND RUN

DURING the filming of *Stardust*, a 1974 rock flick in which Moon had a part, young actor Karl Howman insisted on paying for an evening's partying – only to discover it would cost him a month's wages.

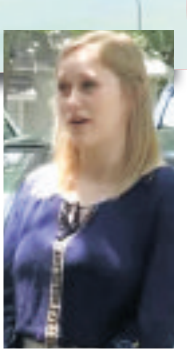
Moon suggested they "do a runner" and Howman dashed with the rest of the actors to a waiting limo.

The next day, Moon told Howman he'd quietly paid the bill while the actor wasn't looking – but wanted the pretend dash to end the night properly!

Girl's shock at pervert driver

HE HAD A VERY UGLY PENIS

W*NKER AT THE WHEEL: Tosser stunned Kelsie *(below)*



By JAYNE FERGUSON

news@sundaysport.co.uk

A PERVERT with a "very ugly penis" was caught on camera masturbating as he drove alongside a woman.

Kelsie Raney said she "felt really violated" as the unidentified man pleasured himself in his vehicle while matching her car's speed.

She said she was on the way to babysit for a friend, adding: "To my left there was a car kind of following next to me at the same speed, but I just kind of avoided it.

Photos

"I glanced over and I saw the guy driving next to me and he was just openly masturbating."

Raney said her initial reaction was to grab her phone and take photos of the driver.

Eventually, she stopped to try to get the attention of other drivers in Austin, Texas.

She described the man as "a white male, probably 55-60 years old, very ugly penis, tan hat and white shirt".

After he sped away, Raney took to Facebook to write about the incident, saying: "Just wanted to share with y'all what just happened to me so my friends can stay safe.."

She went on to detail what happened, saying she is "fine but shaken up and highly disturbed and violated".

'Frankenstein' horror at body parts company

A COOL box of severed penises, body parts and even a torso "with the head removed and replaced with a similar head sewn together in a Frankenstein manner" were found when the FBI raided a US body-donation company.

An eyewitness to the raid on Arizona's Biological Resource Centre has been made public ahead of an upcoming civil case against the business and its owner Stephen Gore.

By GRACE HOOPER
news@sundaysport.co.uk

Former Phoenix FBI special agent Mark Cwynar said he "observed various unsettling scenes" while inside the Biological Resource Centre.

Probe

In addition to the grisly "chilly bin", Cwynar also saw a bucket filled with heads, arms and legs.

Large male torsos with the limbs and genitals removed were also seen, as well as body parts piled on top of each other throughout the facility, with no apparent identification.

Gore pleaded guilty in 2015 to a charge of illegally conducting an enterprise after his company, Biological Resource Centre of Arizona, was the subject of a two-year probe.

The businessman, 48, acknowledged his firm provided vendors with human tissue that was contaminated and used in ways that went against the wishes of the donors.

The company's body donation facility in Phoenix was raided by authorities wearing hazardous-material gear in January 2014.

A 2013 price list, also part of the court file, gives prices for various body parts.

They included "Whole body with no shoulders or head: USD$2,900", "Torso with head: USD$2,400", "Whole spine: USD$950",, "Wholeleg:USD$1,100", and "Pelvis: USD$400".

Paintballer attacks naked bikers

PARTICIPANTS in a naked bike ride came under fire from a furious anti-nudity campaigner armed with a paintball gun.

Ride volunteer Andrea Hitsman said: "Someone was shooting one of the riders with a paintball gun – and that man appeared to be angry."

Hitsman said the naked bike ride in St Louis, Missouri, is supposed to promote visibility for cyclists.

"It's also a lot about body positivity and treating others with kindness, love and respect," she added.

"It didn't mar the event at all. Hopefully, it will never happen again."

GOTH GIRL CHOPS MUM'S HEAD OFF

DISMEMBERED: Rita Camilleri

By JAYNE FERGUSON
news@sundaysport.co.uk

COVERED IN BLOOD: Jessica

A GOTH woman fixated with horror films decapitated her mum before dropping her severed head outside a neighbour's home.

It is alleged that Jessica Camilleri, 25, murdered her 57-year-old mother Rita in the kitchen of their home in St Clair, Sydney.

Rita had been babysitting her four-year-old grandson, Jessica's nephew, at the time.

Police confirmed the youngster witnessed the horrific attack and was taken to hospital with a head injury.

It is alleged Jessica used a "number of knives" to kill and decapitate her mother, before dropping her head close to their family home.

Violent

Police said the bloody scene was "as bad as it gets" and allege that Rita was killed in the kitchen of the home where both women lived before Jessica carried her head two houses down the road.

Neighbours tried to rush to Rita's aid after hearing a "violent argument", only to be confronted by her head on the footpath.

Her dismembered body was found by police in the kitchen.

Appearing via video link at Parramatta Bail Court, Jessica – who was obsessed with blood-and-guts movies *The Texas Chainsaw Massacre* and the *Jeepers Creepers* series – said she needed medical attention.

"I can't move my fingers because of the incident. My whole body is in agony," she said.

"I am not fit to come to jail until I get cleaned up. I couldn't even wash myself in the shower to get all the blood off."

Jessica was sent to hospital for a medical assessment after telling a magistrate that she had conditions including borderline autism, bipolar disorder and anxiety.

Det superintendent Brett McFadden said the crime was "up there with one of the most significant, most horrific scenes police have had to face".

He added: "There is no stepping away from the fact that this was a horrific and significant attack. The injuries that the victim suffered were extensive."

Revenge porn 'naked pics' ex avoids prison

A MAN who shared naked pictures of his ex-girlfriend on fake social media accounts in her name has avoided jail.

Mitchell Brindley created numerous Instagram accounts, with one containing "full nudes" where his girlfriend's breasts and vagina were crudely censored.

Brindley *(above)*, who made the fake accounts after they had broken up, uploaded the intimate pictures without her consent between April 19-23.

Brindley, 24, is the first person to be charged under Western Australia's new revenge porn laws – just days after the legislation came into effect.

He was sentenced to 12 months of intensive supervision at Fremantle Magistrates Court after pleading guilty to distributing an intimate image of another without consent.

Under the new laws, he could have been jailed for 18 months or fined £15,000.

Now plague of snakes hits flood victims

A REGION of Russia recovering from weeks of flooding has been hit by another plague – deadly SNAKES.

Twenty-five people have died and seven people remain unaccounted for since the floods – described by scientists as the biggest in 180 years – hit the Irkutsk region in late June.

Vipers were spotted almost immediately afterwards and officials warned residents to be cautious outdoors.

"The danger of being bitten has not been ruled out at all. We have only five doses of the antidote in the area," the Chunsky district said.

A man in the central Russian region of Chelyabinsk reportedly died from a snakebite while waiting for doctors to deliver the anti-venom medicine.

SCHOOL PORN MISS DODGES COURT RAP

'No laws violated' say cops

CLASS ACT: Schneider filmed in classroom

A TEACHER who filmed porn in an empty classroom will NOT be charged with any crime.

School officials found out about her actions after an anonymous person sent them a link to X-rated videos posted by Elizabeth Schneider.

She had filmed herself masturbating and performing oral sex, and then uploaded the vids to a porn website.

By GRACE HOOPER
news@sundaysport.co.uk

One was titled "Naughty Substitute Teacher Uses Dildo Chair In Classroom".

Exhibitionist

Another was called "Naughty Substitute Teacher Almost Gets Caught in the Teachers Lounge".

Schneider, who used the name O0oAnnieo0O online, described herself as "a mom of a rambunctious toddler and a substitute teacher" who was in an open relationship.

"I'm a bit of an exhibitionist and I want people to watch me please myself or be pleased," she wrote.

An investigation determined that while there were no students in the classroom while Schneider was filming, class was in session in the school building at the same time.

Some students' voices could be heard in the background of several videos.

No students at the El Campo school in Texas were involved in making any of the videos.

Heatwave babes get down 'n squirty!

TEMPERATURES are soaring to record highs across huge parts of the UK and that always means one thing...

Loads of beautiful babes in skimpy outfits trying desperately to keep cool!

Sport stunnas Emma Green and Jamie Jenkins found the perfect way to chill in the heat when they headed to their local park and stripped off before squirting each other all over.

Calm down, lads. They weren't doing that kind of squirting, they simply took along a couple of water pistols filled with ice cold water and playfully got each other very wet in the process... if you know what we mean!

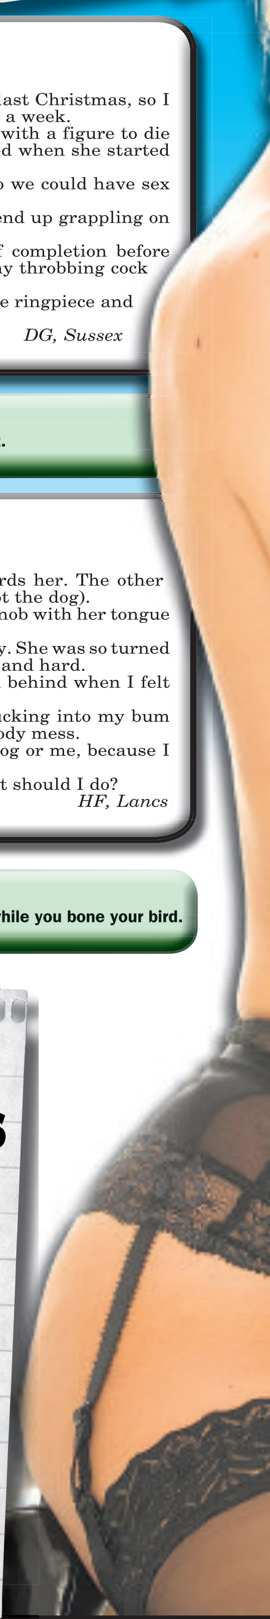
THE WORLD FAMOUS AGONY Page



Dear Sam,

I'VE put on a bit of weight since my wife left me last Christmas, so I decided to go to a boxercise class at the gym twice a week.

I was a bit surprised to find a beautiful blonde with a figure to die for taking the class and I was even more surprised when she started coming on to me.

Soon I was staying behind after each session so we could have sex in the gym's ring.

We'd start with a sparring session before we'd end up grappling on the canvas and ripping each other's clothes off.

She would then suck me to within seconds of completion before spreading her legs on the canvas and thrusting my throbbing cock into her soaking wet pussy.

Problem is, she now wants me to take her up the ringpiece and I'm not keen on the idea. What should I do?

DG, Sussex

Sam says…

GIVE it a try, you might just like it.

Dear Sam,

MY bird's got a dog that is very protective towards her. The other night she gave me a cracking blowjob (my bird, not the dog).

First she stripped off and teased my throbbing knob with her tongue and tits before then deepthroating me.

I returned the favour and licked out her wet pussy. She was so turned on that she was screaming at me to f**k her good and hard.

I was starting to give her a good seeing-to from behind when I felt this unbelievable pain in my arse.

The dog had sunk its teeth into me and was tucking into my bum like a bowl of pet food, leaving my cheeks in a bloody mess.

I don't want to tell her to choose between the dog or me, because I think she'd go for the dog.

But the bloody animal obviously hates me. What should I do?

HF, Lancs

Sam says…

GIVE the dog a bone to chew on while you bone your bird.

Wife got turned on by bit of monkey business

Dear Sam,

I WENT to the zoo at the weekend with my missus. It was years since we'd been and we had a really great time among all the wildlife.

The best bit was after we'd gone to an enclosure to have a look at the chimpanzees.

We saw one pair getting really frisky and we watched gobsmacked as the male humped his mate.

It was such a good performance that my missus, obviously turned on, dragged me away to a little wooden pavilion.

Once inside, she pulled down my keks, lifted her skirt and presented her arse for rear entry.

Her minge was soaking in anticipation and I plugged her good and proper – monkey-style.

Now she's on about getting a pet chimp.

What do you think?

VK, north Wales

Sam says…

CARING for a chimp takes devotion. Stick a wildlife DVD in and hope that does the trick.

Party at country estate led to posh double nosh

Dear Sam,

I'VE had a long-standing fantasy about having my prick sucked by two women at the same time.

And the other night, fate took a hand and it actually happened.

I was at a boring party on a huge country estate. The guests were all rather posh and talked endlessly about politics and money.

I made an excuse about needing the loo and left the room, but then I got sort of lost as I wandered about the massive mansion house.

Eventually I pushed open a door, which turned out to be a bedroom, and there on the king-sized four-poster bed were two good-looking naked women laying top-to-toe licking each other out.

Bouncy

I recognised them as two girls who had been at the party who, like me, had probably sneaked off to get away from the boring small talk.

I was about to turn and leave them to it, thinking they were out-and-out lesbos, when one of them called me back into the room.

She was slim and dark-haired, with lovely bouncy boobs.

The other was blonde, with smaller boobs but lovely long legs.

Both of them had trimmed their pussy hair right down and looked very inviting as they lay on top of the silky covers.

I was surprised and delighted when it looked very much like they were bisexual after all, not lesbian, as they suggested I join them.

They were sex-mad and, going by the scent of love-juice in the room, they'd had lots of orgasms already.

After I'd rapidly stripped off, they pushed me flat on my back saying they'd had enough sucking pussy and wanted some cock.

With that I felt two tongues flicking up and down my rod.

They were good at it too and I quickly had the hardest erection of my life.

The brunette licked her way slowly along my shaft, while the blonde kept teasing the tip with her hot tongue.

I was soon coated in the girls' saliva and throbbing on the brink of shooting my load as they teased and licked and nibbled away at my knob.

And when I finally did release my man milk, there was MASSES of it.

My hot spunk spurted on the blonde's tongue and then across the face of her pal, leaving a trail dribbling down her chin.

Then came the part I'll never forget. The blonde looked at the blobs of spunk on the brunette's face and licked up every last drop.

The look of pleasure on their faces caused me to get yet another stonker and I shagged them both senseless for what seemed like hours.

When I finally gave in to sheer exhaustion, the two horny babes treated me to some red-hot girl-on-girl action that ended with them both enjoying yet another screaming orgasm.

What a night. Now I can't wait to meet up with this horny pair at the next party there!

LD, Essex

Sam says...

PHEW! Babes talk with forked tongues, eh?

Shit finish to beer festival loo romp

Dear Sam,

I WENT to a beer festival with a few mates and was pleased to find that it wasn't full of bearded, sandal and sock-wearing real ale bores.

In fact, being a university town, it was rammed full of girl students.

They were in the shortest of shorts in the hot weather and knocking back the booze like good 'uns.

I quickly decided not to get too pissed as it looked like an opportunity too good to miss.

My mates and I got chatting with one particularly fit looking group and I pulled a busty blonde who was a bit tipsy.

She was obviously up for a bit of fun, so we sneaked off into one of the on-site portable toilets and I soon had her keks off and was licking her out.

Pounding

After a while she repaid the favour and gave my rock-hard cock a good sucking.

Then I plunged in with my knob, pounding her hard and fast as she screamed out in pleasure.

We were really going for it when the bog contraption tipped over, sending us crashing arse over tit and trapped inside.

The poor girl was mortified and, after we had been rescued, wouldn't give me her number before she fled.

I'd love to see her again.

TB, Nottingham

Sam says...

I RECKON any hope of a relationship is ALE over already.

Dear Sam,

I NEED help and I'm hoping you're just the person who can help me solve my worrying problem and bring me everything I've always wanted in life.

You see, my ideal type of man is in his mid-40s with neat dark hair and a kind face, is charming and witty and, most important of all, has barrel-loads of money.

The trouble is, I can't seem to find a bloke like that, no matter how hard I try!

All I seem to end up with are blokes who want to get my knickers down and give me a quick one in the back of a car, in the pub toilets or else in the doorway of the block of flats where I live.

Have you any ideas where I could meet the ideal man – a man with a good, thick prick, who can last and last for hours on end.

A man who, when he cums, shoots out for ever and ever.

A man who knows how to really lick pussy until I am sobbing and crying with the passion and having the best orgasms of my life?

Please, do you know where I can find a man like that?

TN, east London

Sam says...

YOU must be joking. And even if I did, I'd keep him to myself!

#MY SEX FANTASY

‘I do a strip tease with seductive tricks for sexiest lap dance ever’

...WITH NICOLE SMITH, 25 32C-24-34 FROM MAIDSTONE, KENT

I LOVE going to strip clubs. I go now and again with my lad mates, or boyfriend, and one time I went with the girls.

I enjoy having a perv at the hot dancers just as much as the blokes!

And when I go with a fella I’m seeing, getting lap dances as a couple really gets us in the mood.

I absolutely love watching a really fit girl doing her thing on a pole.

It’s so elegant and really is an art form.

Big knockers, a peachy bum exposed by a g-string, toned thighs and tum, a golden tan... such a turn on!

I don’t mind him gawping, it’s just human nature.

We will pick out a cute girl to get a private lap dance from. It’s such a thrill watching her gyrate up against us.

When we go home after, we always have wild sex. I often give a little strip tease of my own, using the seductive dance tricks I’ve picked up.

LEILANI DOWDING

By SIMON DEAN
simon@sundaysport.co.uk

SIZZLING Leilani Dowding isn't just fit – she's one of the sexiest babes on the PLANET!

Just a year before making her topless debut, she represented the UK in the annual Miss Universe contest in Hawaii.

The Bournemouth babe – who was crowned Miss Great Britain in 1998 aged 18 – didn't manage a podium finish, but the prestigious pageant was just a start for Leilani.

She then ditched her bikini top for a career as a topless pin-up in 1999, wowing fans with her all-natural 34B top-rack.

Brainy

She was rated 89th on the FHM Sexiest Women in the World list for 2003 before making the jump into mainstream television.

She appeared on *The Big Breakfast* and *This Morning*, as well as competing in *Faking It* and *Celebrity Fear Factor*.

Leilani also had a brief foray into acting, with parts in *The Dream Team* and *Mile High*.

Now 39, the brainy glamour babe, who studied economics at university, has her own clothing line and continues to model part-time while living in Miami.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

LINSEY DAWN McKENZIE

CHIEF Executive Carl Clark wants to splash his hard-earned cash on busty glamour legend Linsey Dawn McKenzie.

The 51-year-old bigwig hails from the Big Smoke, but there's only one girl he wants to spend his life of luxury with.

His dream girl is 40-year-old topless stunna Linsey Dawn, from Epsom – and with her 34DD ample assets it's not hard to see why.

Carl said: "Linsey is simply stunning. I've got tons of cash and I still go out and buy the *Sport* three times a week to see if Linsey's knockers are in – there's no other girl's boobs I wanna stare at."

CHARLIE McCANN

WITH HIS SPORT ODDS AND ENDS

CHANCE: Joe Denly

DENLY CAN PLAY WAY TO ASHES

ENGLAND play Ireland in a one-off four-day Test beginning at Lord's today as they fine-tune their preparations for the Ashes which begins at Edgbaston on August 1.

Australia meanwhile are having an old-school trial game at Southampton as they try and cut a 25-man squad down to 16 or possibly 17 for what is a hectic period of five Tests in seven weeks.

It is possible that the Baggy Greens will have three wicketkeepers given captain Tim Paine could easily be joined by ODI keeper Alex Carey, who batted so well in the World Cup, and Matthew Wade who was shamefully overlooked for the semi-final defeat against England in favour of a badly out of form Peter Hanscomb.

The Aussies won the last Ashes 4-0 down under, but they have not won a series in Britain since 2001 and their batsman continue to have their problems with the Duke ball which Jimmy Anderson and Stuart Broad are so effective with. That said the 2019 version of the Duke cricket ball has a slightly less prominent seam than its predecessor and it will be interesting to see the scores in the Lords Test against Ireland.

It has been a great week for Irish sport and Ireland are 28/1 at BetVictor to win at Lord's with England 1/11 and the draw 15/2. Ireland were beaten by Afghanistan in India – where else – in their last Test and I can't see them scoring enough to trouble the hosts.

Jason Roy is 7/2 at BetVictor to top score for England in his first Test but he is faced with a difficult decision. The crowd will expect fireworks, but the England management want to see him build an innings while still exhibiting the stroke play that lit up the World Cup.

Thrashed

Roy's last first-class game was in Abu Dhabi against Pakistan A back in November and his opening partner Rory Burns has been pulling up few trees in the county championship. With that in mind I feel Joe Denly – who is likely to bat at three – represents the value at 5/1.

The last four second round matches in the World Matchplay take place at the Winter Gardens Blackpool this evening and I hope to see Ian "Diamond" White reach the last eight at the expense of Steven Bunting. The "Bullet" beat fancied Gerwyn Price in the while White didn't have to at his best to thrash Joe Cullen.

White is 4/9 to make the quarter-finals and 11/10 with BetVictor to hit the most 180s which I feel might be overpriced against Bunting who described his win over Price as one of the best of his PDC career.

Having put up Peter Wright at 10/1 for a first Matchplay title I was pleased to see him transfer his excellent form from the floor to the Winter Garden stage. Snakebite's 102 average in his 10-5 win against Vincent van der Voort was the highest of round one and I would be disappointed if he didn't beat Simon Whitlock.

Wright is 3/10 with BetVictor and the White, Wright and Daryl Gurney – who plays Keegan Brown in the opening last 16 tie this evening – treble plays 16/10 at BetVictor and that is the tip.

THUMBS UP: Harry Kane has been very impressed by Ndombele

FINAL MADRID 2019

Big bad Ndom Spurs Harry on

KANE IMPRESSED BY FRENCHMAN'S IMPACT

By PAUL THOMAS

HARRY Kane believes Spurs record signing Tanguy Ndombele can shake up the club.

The Frenchman cost the Londoners £65m from Lyon and he has already had an impact on debut.

He set up a goal against Juventus in Singapore when coming off the bench.

And Kane is looking forward to Ndombele providing more creativity from midfield — something that was missing at times last season.

The England skipper said: "He's been great since he came in.

"That's a strength of his – playing that through ball, that sort of forward pass. That's something we've missed over the last year or so – that really decisive pass in the final third.

"He looks like he can do that. With any player who comes in, he's still learning how we play and the way the manager wants him to play.

"But he's working hard. That's all we can ask for."

Tottenham manager Mauricio Pochettino has been waiting a long time to spend some of Daniel Levy's money — and he's confident that it's been well spent with Ndombele.

He said: "We cannot expect too much. He's only just got to know his teammates, to adapt to new country, culture, players, new tempo.

"All is new for him. His first touch of the ball showed his quality. It was amazing.

"We are happy with him but don't expect too much. We know his talent and what he can add but step by step – we don't want to put pressure on him."

Ndombele is settling in well at Tottenham — with a little help from France teammate Moussa Sissoko.

He said: "He knows how it works here.

"Moussa has been in England for more than six years, so he can teach me the good things to do, how we work here and what we can do to improve. I've been following him since he was in France.

"To come to club and know someone, especially from the national team, makes it easier so I'm very happy. I hope me and Moussa can get a lot of success together.

"I don't feel any pressure. I'm proud because I'm the club-record signing. Now what I have to do is show my quality on the pitch and show that Tottenham did well to spend this money on me.

"To come to England was my dream. I spoke with the manager, so I knew Tottenham was a big team, especially after what we did last year. I was excited to join a big team. That's why I signed here."

DODGY FORM BOOSTS REDS

JAMES Milner believes Liverpool's pre-season wobble will help them when the big action kicks off.

The Reds have been badly out of sorts on their tour of America so far, Kopping defeats against Borussia Dortmund and Sevilla despite putting out strong teams each time.

Milner thinks it's a wake-up call some of the players might need. The Liverpool veteran said: "It can be a good thing and I think we have to use it as a good thing.

By JOHN ANTHONY

"Obviously coming on the back of the success last year and 97 points in the league, sometimes it's easy to get complacent.

"I'm not saying we are that, there's a lot of changes in the team, a lot of young lads coming in and we are finding how we play with each other.

"But back-to-back defeats, if we needed that kick there it is. It will make us strive on and go even harder if we can.

"We know how high our standards are, so it's early days and I wouldn't be too worried about it.

"But we want to kick on and make sure we use this to drive us on.

"It's been a tough schedule, tough conditions but it's all money in the bank.

"Dealing with conditions like this and games so close and the travelling, it will be a piece of cake when we get one game a week at the start of the season."

HOPEFUL: Divock Origi

Divock Origi is another Red trying to put a positive spin on pre-season defeats.

After scoring in the Champions League final the Belgian will be hoping for more game time this season.

He has been involved in the reverses but is refusing to be downhearted.

Origi said: "It was another step in the pre-season.

"We played against a good team in Sevilla and we tried our best.

"I think we did a lot of good things and there were things we can still work on but again that's why the pre-season is there. We will just try to use this game and go forward.

Chance

"Physically, we are getting more minutes in the legs, and in the end we just try to implement everything.

"I think we still have to work on some things, which is normal, but looking positively to the next step in the pre-season."

Origi may have to wait for his chance as it appears that Sadio Mane will be ready for the start of the Premier League season.

The forward has been away at the African Nations Cup with Senegal, who made it all the way to the final.

He will now have a short break but boss Jurgen Klopp will have him back in time.

He said: "We now know Sadio will be back to prepare the Norwich game.

"The boys are getting fitter and fitter. And the boys who come back should be fit, it's a really short break."

KICK UP BACKSIDE: James Milner

JACK HAPPY TO BE COLBACK

By ANDY MILLOM

JACK Colback is desperate to take his second chance at Newcastle — after being frozen out by Rafa Benitez.

The Spaniard took an early dislike to the midfielder and quickly offloaded him to Nottingham Forest on loan.

Now he's back at St James's Park and has been picked by Steve Bruce for pre-season matches.

Colback lifted the lid on his treatment at the hands of Benitez.

The Spaniard just stopped picking him — for no apparent reason. He said: "I got on fine with Rafa when he was here and played games with him.

"It was just out of the blue, which was the only strange thing I felt.

"That's football. I'm big enough to take it on the chin.

"There are a lot better players than me left out of squads. I went to Forest and really enjoyed my time there.

"Now maybe I've got half a chance back here, so we'll see what happens. It's a bit unexpected to be back, but that's football sometimes.

"Obviously, I knew I had a year left, but I wasn't expecting to come back and be involved.

"Things can change. All I've got to do is apply myself and work hard for the team when selected.

"If I've got a realistic chance to play, then of course. I loved my time here when playing.

"It's a great place, St James's. I always gave 100% for the shirt. I'll continue to do that."

Now Colback hopes Bruce can bring some stability to the club after a torrid time which included Benitez walking out this summer.

He added: "The club was in limbo for too long.

"When Rafa went it obviously took a while to get a new manager in. It was difficult for Ben Dawson and Neil Redfearn, but they've been really good with us. They understood the situation.

"Now we've got the new manager in, we've got to listen to what he wants and, as players, buy into that."

REPRIEVE: Jack Colback

BATTLER: Laporte

Harry has battle for City shirt says Lap

AYMERIC Laporte says Harry Maguire faces a fight to break into Manchester City's first team.

The England centre-back is expected to join the champions or neighbours United for a fee in the region of £80m.

Should he turn up at the Etihad, most pundits think he'll form a partnership with John Stones as he does for the Three Lions.

But Laporte is in no mood to give up his place to the newcomer, while Nicolas Otamendi will expect to play a lot too.

He played 49 times last season and wants to clock up a similar amount this time around.

Laporte said: "Hopefully it can be the same this year, I'm here to start. I'm going to work for that.

"I don't know if a new player will be bought by the club.

"Ask Pep what he wants. I think the three of us are putting ourselves forward to play every game, but we don't decide. The club decides for us."

Maguire seems more likely to join United who have more of a need for a central defender.

That's because Guardiola has also suggested that Fernandinho could drop back into defence now Rodri has arrived.

Hat-trick

Laporte said: "Yes it's possible. Fernandinho is a very good player. I think he can play wherever he wants so, yes, he can play centre-back too."

The Frenchman is proud of the club's effort last season in holding off Liverpool's title challenge.

It took 98 points to retain the title and everyone at the Etihad is focussed on landing a hat-trick.

Laporte added: "We will try. I think we have the same team and there's someone else who has come in who can complete the team but we know it will be difficult."

Further up the pitch, City are trying to keep Leroy Sane at the club.

Bayern Munich are keen to sign the wideman who was in and out of the team last season.

The Germans' chief executive Karl-Heinz Rumenigge has made no secret of his admiration for the German international.

But reports suggest that City want him to stay — although the player wants more game time in the coming campaign.

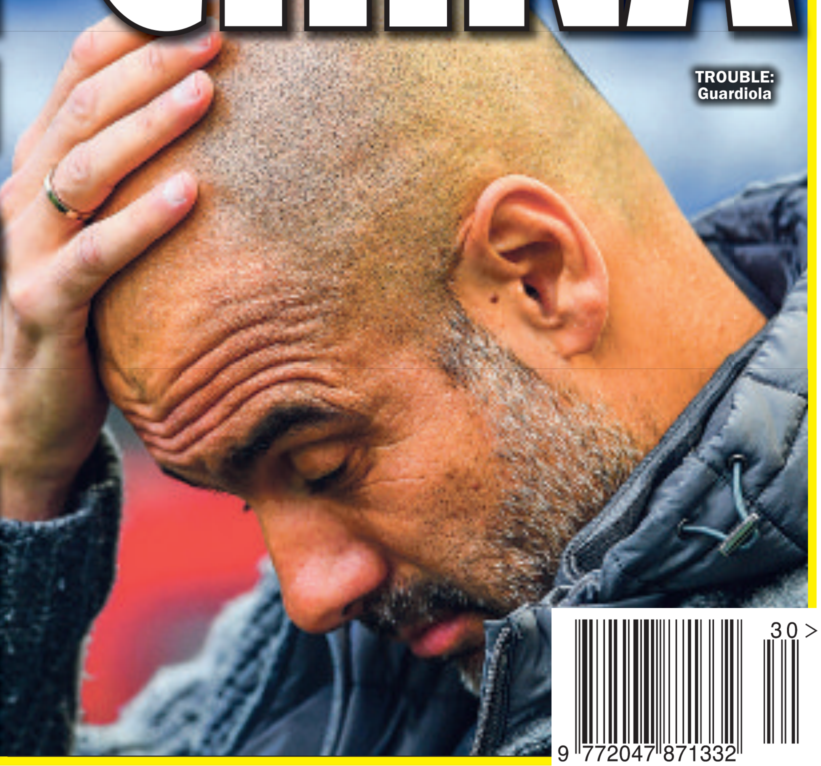
PEP IN CHINA CRISIS



TROUBLE: Guardiola

City boss tries to calm row

By JOHN ANTHONY

PEP Guardiola says Man City LOVE China — after being branded arrogant during their pre-season tour.

The country's state-run news agency accused the Premier League champions of being disrespectful in Shanghai.

The Chinese claim City do not love their fans in the far east and just want to "win wallets, not hearts and minds". They have now moved on to Hong Kong where Guardiola has broken his silence.

He said: "I don't agree and also that it's false.

"We had an incredible time in Shanghai. We were committed to the co-operation you have to do here in China. The people from the hotel, all the people, were asking us to do things and we were ready to do that.

"To come to Asia and experience the culture, the restaurants — it's amazing to get to know other people.

"TI can't understand what people are saying. Maybe one journalist is a bit upset, I don't know why but it's far from reality.

"We came here and 23 hours later travelled two hours by train to play in Nanjing then back to Shanghai. Now we are here and then to Tokyo. And always with the biggest smile."
